## JUNIOR FULL STACK SOFTWARE DEVELOPER

[LinkedIn](#) - [GitHub](#) - [Portfolio](#)

### PERSONAL PROFILE

A Fullstack web developer on the verge of completing a full stack software development diploma at the Code Institute, actively seeking a career change to delve into the development field. My prior experience in digital marketing closely relates to web development, and I regret not transitioning to my passion earlier.

A sample of some of my projects. Full portfolio [here](#)

### WORK EXPERIENCE

#### **Freelance Marketing Consultant/Self Taught Dev** | Self-employed

2022 - 2023 | Remote (Based out of Dublin, Ire)

During the transition stage from marketing to development I pursued both part time.

- Marketing campaign management across FB/Snap/TikTok
- Copywriting, Image creation, Page creation, web design.
- Split testing and statistical performance reviews of campaigns
- Consulting on proper expenditure of campaign budgets

#### **KingsGuard Media** | Marketing Manager

2019 - 2021 | Remote (Based out of Stockholm, Swe)

A lead generation marketing company specialising in social media advertising.

- Team management and coordination of tasks
- Revenue accounting across various softwares tracking suites
- Budget management of approximately 100k/pm ad spend
- Creative decision making across multiple social media platforms
- Demographic modelling, statistical analysis, market research
- Client negotiations with US education/gaming/insurance and healthcare institutions

#### **KingsGuard Media** | Media Buyer

2017 - 2019 | Remote (Based out of Bangkok, Thai)

- Content creation. Use of adobe suite
- Analytics of native adsmanager tools across all social platforms
- Webpage creation. Basic html, css, js. Use of builders and funnel makers
- Social page creation and engagement monitoring
- Produce documentation

### CERTIFICATES

- Udemy - Node.js, Express, MongoDB & More (41 hours)
- Udemy - The Complete JavaScript Course 2024 (69 hours)
- Udemy - AWS & Typescript Masterclass (14 hours)
- Udemy - React Native - The Practical Guide (29 hours)
